

# *M & M* *Fasteners Supply, Inc.*

## **M & M Has Moved!**

**January 2019**

M & M Fasteners Supply is a leading supplier of fasteners and related products for the OEM, MRO, Aerospace, and Electronics industries. We are an authorized distributor of many quality products you know and trust. Feel free to give us a call to learn more about the products and the services we provide.

Starting January 1, 2019 we will be operating out of our new home in Santa Clarita, CA! Located just off the 5 Freeway, our new office can be found at **28486 Westinghouse Pl. Suite 110, Santa Clarita, CA 91355.**

Moving to the City of Santa Clarita has been an important step to not only help us serve our existing customers in the area, but also grow our business in the Aerospace Industry sector. We are currently working with the City of Santa Clarita Economic Development Corporation to get certified as a **woman owned**, small business, and a **minority owned business** certification as well. We look forward to our future here in SCV!
